HPC software development is hard...  
...can we make it easier?

We need your input on gaps in  
Software Engineering (SE) for HPC!

Fill out the SE for HPC survey...  
...takes 5 minutes...  
...scan the QR code!

This is a research project being conducted by the Software Engineering for Distributed Systems group at the Institute of Computer Science of University of Göttingen, Germany, and the High Performance Computing group at the Computer Science Department of University of Iceland, Iceland. Responsible contact persons are Steffen Herbold and Helmut Neukirchen. Please follow the URL or QR code for contact details.
