

# Rósa Signý Gísladóttir

E-mail: [rosas@hi.is](mailto:rosas@hi.is)

## Education

---

|      |                                                                                                                                 |
|------|---------------------------------------------------------------------------------------------------------------------------------|
| 2015 | PhD in Psycholinguistics, Max Planck Institute for Psycholinguistics and Radboud University, Netherlands                        |
| 2008 | MSc in Computational Linguistics and Formal Grammar, King's College London, UK ( <i>distinction</i> )                           |
| 2006 | BA in Linguistics, Macalester College, USA ( <i>magna cum laude</i> )                                                           |
| 2003 | Final exam, Menntaskólinn í Reykjavík (Reykjavík Junior College), Iceland (first grade with distinction; <i>ágætiseinkunn</i> ) |

## Employment

---

|                |                                                                                     |
|----------------|-------------------------------------------------------------------------------------|
| 2023 – present | Tenured Senior Lecturer / Associate Professor in Linguistics, University of Iceland |
| 2015 – present | Research Scientist, Amgen deCODE Genetics, Iceland                                  |
| 2021 – 2023    | Senior Lecturer / Associate Professor in Linguistics, University of Iceland         |
| 2019 – 2021    | Lecturer / Assistant Professor in Linguistics, University of Iceland                |
| 2008 – 2010    | Marketing Director, Innovation Center Iceland                                       |

## Awards and Honors

---

|             |                                                                        |
|-------------|------------------------------------------------------------------------|
| 2010 – 2013 | IMPRS for Language Sciences Fellowship, Max Planck Society             |
| 2011        | LSA Linguistic Institute Fellowship, Linguistic Society of America     |
| 2006 – 2007 | Chevening Scholarship, British Council                                 |
| 2006        | Phi Beta Kappa honor society                                           |
| 2003 – 2006 | Kofi Annan International Student Scholarship Award, Macalester College |

**Gisladdottir, R. S.**, Chwilla, D., Schriefers, H., & Levinson, S. C. (2012). Speech act recognition in conversation: Experimental evidence. In N. Miyake, D. Peebles, & R. P. Cooper (Eds.), *Proceedings of the 34th Annual Meeting of the Cognitive Science Society* (pp. 1596-1601). Austin, TX: Cognitive Science Society.

## Conferences, Meetings and Other Talks

---

Gísladóttir, R.S. (2025, February). *Málnotkunarfræði og samskipti*. [Pragmatics and interaction]. Talk for University of Reykjavík (Háskólagrunnur).

Jónsdóttir, Á. and Gísladóttir, R.S. (2025, January). *Heyrðu: notkun og blutverk* [Use and function of *heyrd* in Icelandic]. Talk, Rask conference of the Icelandic Linguistics Society.

Participation in the Musicality Genomics Consortium meeting in Trento, Italy, September 2024.

Gísladóttir, R.S. (2024, August). *Heyrðu, af hverju málnotkunarfræði?* [Hey, why Pragmatics?]. Talk for the association of teachers of Icelandic (Samtök móðurmálskennara).

Gísladóttir, R.S. (2024, June). *Genetics of language and pragmatics: Why and How?* Talk presented in EvLab at Massachusetts Institute of Technology, Boston, USA.

Gísladóttir, R.S., Stefánsson, K. (2024, June). *Using genetics to investigate the evolution of language and speech: New findings on musicality and vocal acoustics*. Talk presented at Evolang XV, Madison, Netherlands.

Gísladóttir, R.S. (2024, March). *Genetics of language and pragmatics: Why and how?* Talk presented in the 2024 IUSS Linguistics Seminars, Pavia, Italy.

Gísladóttir, R.S., Skúladóttir, Á., Jónsdóttir, G., Stefánsson, H., Sulem, P. and Stefánsson, K. (2023, September). *Musicality traits in 20,000 individuals show genetic and phenotypic links to language, intelligence, and personality*. Poster presented at MusicGens meeting in Nijmegen, Netherlands.

Gísladóttir, R.S. and Stefánsson, K. (2023, July). *Musicality traits in 20,000 individuals show behavioural and genetic links to language*. Talk presented at Musical Minds workshop at University of Konstanz, Germany.

Gísladóttir, R.S. (2023, March). *Hvað getur erfðafræðin sagt okkur um þróun tungumáls?* [What can genetics tell us about the evolution of language?]. Talk presented at Humanities conference (Hugvísindaping), University of Iceland.

Gísladóttir, R.S. (2022, November). *A GWAS of Speech Acoustics Identifies Variants Associated with Voice Pitch and Cardiovascular Traits* [poster presentation]. NSHG-PM 2022 Conference, Copenhagen, Denmark.

Participation in the Musicality Genomics Consortium inaugural meeting in Trento, Italy, September 2022.

Participation in the CoMorMent meeting in Grímborgir, Iceland, April 2022.

Gísladóttir, R.S. (2020, September). *Framlag samskiptarannsóknna til almennra málvísinda og sálfræði tungumáls* [Contribution of interaction research to general linguistics and psychology of language]. Talk presented at Hugvísindaping [Humanities conference], University of Iceland.

Gísladóttir, R.S. (2020, February). *Með opnum huga: Heimur tækni, texta og vísinda* [With an open mind: The world of technology, text and science]. Talk presented at the *Future of Humanities* symposium of the board of humanities students at University of Iceland.

Gísladóttir, R.S. (2020, January). *Samskiptabylting í almennum málvísindum?* [Interaction revolution in linguistics?]. Talk, Rask conference of the Icelandic Linguistics Society.

Gísladóttir, R.S. (2019, November). „Pepp“ fyrir íslensku: Um beyrðu, ha og almenn málvísindi [„Pep“ for Icelandic: On *hey*, *hub* and general linguistics]. Talk presented at a symposium of Mímir, the student association for Icelandic and linguistics at the University of Iceland.

Gísladóttir, R.S. (2019, March). *Rauntími samskipta (enchrony): Heilinn, „ha“ og HÍ* [Enchirony of interaction: The brain, *hub* and University of Iceland]. Talk presented at a meeting of Félag íslenskra fræða [the Icelandic Studies Association].

Gísladóttir, R.S. (2015, February). *Um málgjörðir og heilalínurit* [On speech acts and EEG]. Invited talk, lunch symposium of the Icelandic Linguistics Society and University of Iceland Linguistics Centre.

Gísladóttir, R. S., Chwilla, D., & Levinson, S. C. (2014, June). *Neuropragmatics and conversation: Experimental findings on action ascription*. Talk presented at ICCA 2014, the 4<sup>th</sup> International Conference on Conversation Analysis, Los Angeles, USA.

Gísladóttir, R. S. (2014, January). *Comprehension of speech acts in spoken dialogues: An EEG study*. Talk, Semantics and Pragmatics Colloquium, Radboud University, the Netherlands.

Gísladóttir, R. S. (2014, January). *The timing of speech act comprehension*. Invited talk, Center for Analysis and Design of Intelligent Agents (CADIA), Reykjavik University, Iceland.

Gísladóttir, R. S., Chwilla, D., & Levinson, S. C. (2013, September). *Early speech act comprehension in spoken dialogue: Evidence from ERPs*. Poster presented at XPRAG-2013, the 5th Biennial Conference of Experimental Pragmatics, Utrecht, Netherlands.

Gísladóttir, R. S., Chwilla, D., & Levinson, S. C. (2013, April). *Speech act comprehension in spoken dialogue: An ERP study*. Poster presented at 20th Annual Meeting of the Cognitive Neuroscience Society, San Francisco, USA.

Gísladóttir, R. S., Chwilla, D., Schriefers, H., & Levinson, S. C. (2012, August). *Speech act recognition in conversation: Experimental evidence*. Poster presented at 34th Annual Meeting of the Cognitive Science Society, Sapporo, Japan.

## Service

---

|                |                                                                                        |
|----------------|----------------------------------------------------------------------------------------|
| 2023 – present | Member of the advisory board for the Icelandic Centre for Research Infrastructure Fund |
| 2022 – present | Chair of the International Vigdís Prize committee                                      |
| 2019 – present | Chair of the Linguistics Program at University of Iceland („greinarformaður“)          |
| 2021 – 2024    | Chair of the Linguistics Institute, University of Iceland                              |

|             |                                                                                                       |
|-------------|-------------------------------------------------------------------------------------------------------|
| 2020 – 2022 | Elected representative of the humanities at the University of Iceland „parliament“ (Háskólaþing)      |
| 2020 – 2021 | Member of the graduate studies committee of the Faculty of Icelandic and Comparative Cultural Studies |
| 2016        | Member of the preparation group for the establishment of the Icelandic Women in Science association   |
| 2010 – 2013 | Representative of PhD students in the web committee of Max Planck Institute for Psycholinguistics     |

## Media Coverage

### International media

---

- Nature: [Have a high-pitched voice? It might be in your genes](#). June 9, 2023.
- Various media: [Coverage of voice pitch findings \(Altmetric overview\)](#). June, 2023.
- New York Times: [People With This Mutation Can't Smell Stinky Fish](#). October 8, 2020.
- Nature: [Can't smell stinky fish? It might be in your genes](#). October 8, 2020.
- New Scientist: [Rotten fish smell sweeter if you have a specific genetic mutation](#). October 8, 2020.

### Icelandic media

- Icelandic national television (RÚV): Commentator in the Icelandic TV show [Klassíkin okkar](#) [Classical music]. August 30, 2024.
- Icelandic national radio (Rás 1) and Rúv.is: [Dimm rödd eða björt? Genin hafa sitt að segja um það](#). [Deep voice or bright? Genes matter]. June 13, 2023.
- Bylgjan radio and Vísir.is: [News interview on research on voice pitch](#). June 11, 2023.
- Morgunblaðið newspaper and Mbl.is: [Samband tónhæðar og líkamlegrar heilsu](#). [Relationship between voice pitch and health]. June 10, 2023.
- Icelandic national radio (Rás 1) and Rúv.is: [4% Íslendinga finna enga fiskifylu](#) [4% of Icelanders do not smell fish stench]. October 26, 2020.
- Icelandic national television (RÚV): Commentator in the Icelandic documentary [Sporið](#) [The Step] on beat perception and relation to language and evolution. October 5, 2019.
- Fréttablaðið newspaper and Vísir.is: [Einstök rannsókn á tóneyra og takvísi](#) [Unique research on tone and beat perception]. March 2, 2019.
- Morgunblaðið newspaper and Mbl.is: [Kanna tónnæmi og taktvísi](#) [Investigate tone and beat sensitivity]. February 26, 2019.
- National radio, Rás 2 (Morgunútvarpið): Commentator on research on [amusia and beat perception](#). February 25, 2019.
